

# "SOUPER" BOWL OF CARING 2012

This program raises awareness of hunger and poverty in our local communities. Before we celebrate Super Bowl Sunday and root for our favorite team, "THE GIANTS," in conjunction with wearing your favorite jersey on Thursday Feb. 2nd, each student should bring in a can of soup to school that day.

Every classroom will have a container for the cans and our Rachel's Challenge Team will bring the goods to our own Social Ministry Office.

The collected cans of soup will be placed in our own food pantry as well as pantries and shelters throughout Long Island.
